Part B for July '48

SUBJECT

Estimate for excavating the out-fall from the Septic tank in Malleswaram to the Valley beyond valley beyond Magadi Road, Bangalore City

---

To, The Chairman, C I T B, Bangalore City

No L 334/8 10-7-48

States that fresh tenders may be called for

648/4

From The chairman, Trust Board,
Bungalow

No 4 To 31/47 & 26-6-47

Requests sanction "to accept the lowest tender of Messrs M Coomaraswamy Pillai & Co for Rs 91,386/- for extending the outfall from the septic tank of Nalleswara to the Valley beyond Rangadora road

The estimated cost of this work, as per sanctioned estimate for the entire scheme, is said to be Rs 1,15,000 which includes a provision of Rs 33,776/- for the work forteen and a provision of Rs 81,224/- for E T P and Contingencies etc

2 The tenders was received as for the work forteen of the estimate

645/L

645
M

2) estimated to cost Rs 33,776/-

3 The chief Engineer for R+B may be consulted as to whether the lowest tender for Rs 91,386/- in this behalf may be accepted

A

4 It is stated that the 3% Mysore govt state Loan bonds to the extent of Rs 4,800/- deposited towards the earnest money on this account had not been endorsed by the contractor in favour of the comptroller as required by rules the Chairman The Trust board proposes to get them endorsed as above after the tender is accepted by govt

5 The chief Engineer may also be consulted whether this irregularity may be condoned and the proposal of the Trust board accepted

Rea' 18/1

Subject - Extending the outfall from the Septic Tank in Malleswaram to the valley beyond Magadi Road, Bangalore city

***

In G O No L 3422-26/M1 90-41-4 dated 1-11-1941 sanctionxx was accorded to the comprehensive underground drainage scheme in Bangalore city at an estimated cost of Rs 41,24,441/- It includes an estimate for Rs 1,15,000/- for the above work

The work portion of this minor estimate is estimated at Rs 33,776/- and the remaining portion of the same viz , Rs 81,224/- is meant to cover the establishment, tools and plant charges, contingencies etc In response to the tenders called for for the work portion of the estimate, three tenders, as noted in the margin are reported to have been received The great disparity between the tendered rates and the original estimate is explained to be due to the fact that the original estimate was made in 1939-40 when conditions were normal

Tenderer	Amount tendered
A R Doraswamy Iyengar	Rs 1,06,695/-
M Coomaraswamy Pillai & Co	Rs 91,386/-
Gannon Dunkerly & Co Ltd	Rs 95,736/-

The Chairman, City Improvement Trust Board, Bangalore has therefore recommended sanction to accept the lowest tender of M/s M Coomaraswamy Pillai & Co for Rs 91,386/- He has also stated that as required by rules, Mr M Coomaraswamy Pillai has not endorsed the 3% Mysore Govt State Loan# Bonds to the extent of Rs 4,800/- deposited by him towards earnest money in this behalf, in favour of the Comptroller and that this would be got done after his tender is accepted by the Government, as resolved by the Trust Board.

The Chief Engineer for Roads and Buildings who was

consulted in the matter is of opinion that as seen from the comparative statement of the rates quoted by M/s Coomaraswamy Pillai & Co and the rates usually provided in the estimates for similar works prepared by the Sanitary Engineer, the tendered rates are very high and that fresh tenders may, therefore, be called for. when the file was submitted to the late Minister for Education and Public Health he was pleased to minute as follows

> " I find from the comparative statement that the rates quoted by Coomaraswamy Pillai & Co for several items, are much lower than those quoted by others I do not see adequate reasons for calling retenders The recommendation of the Trust Board is approved"

The question having been ordered to be disposed of by circulation, the above note is circulated to the Ministers

I. L. No. [illegible]

Subject:- Extension of the effluent from the septic tank in Alleppey area to the valley lying to the west of Canal road, at Fort Cochin.

In connection with L. 3422-26/41-Edn. dated 1-11-1941 sanction was accorded to the construction of underground drainage scheme in Fort Cochin at an estimated cost of Rs. 41,24,441/- It includes an estimate for Rs. 1,15,000/- for the stone work.

OF THE SECRETARIAT
CATION
16-1-48
68

The work portion of this minor estimate is estimated at Rs. 33,776/- and the remaining portion of those minor estimates Rs. 1,224/- is meant to cover the establishment, tools and plant charges, contingencies etc. In response to the tenders called for for the work portion of the estimate, three tenders, as noted in the margin are received. The rest is pending.

Name of tenderer	Quoted rate
1. [illegible] Engineering Syndicate	Rs. 1,6,6[illegible]/-
2. [illegible] Construction Company, Allahabad	Rs. 91,[illegible]6/-
3. [illegible] Kerala Engineering & Contracting Co. Ltd.	Rs. 5,7[illegible]/-

The difference in the original estimate is mainly due to the fact that the original estimate was prepared in 1939-40 when conditions were normal.

The Chairman, City Improvement Trust Board, Fort Cochin has therefore recommended action to accept the lowest tender of M/s. [illegible] Engineering Syndicate for Rs. 1,3[illegible]/- He has also stated that as required by rules, M/s. [illegible] Engineering Syndicate have not furnished the 5% security deposit to the extent of Rs. [illegible],500/- deposited by him towards earnest money in this behalf, in favour of the Accountant General that this should be got done after his tender is accepted by the Government has resolved by the Trust Board.

The Chief Engineer for Roads and Buildings has

~~26~~
25

consulted in the matter is of opinion that as seen from the comparative statement of the rates quoted by M/s. Commercial Engineering & Co. and the rates usually provided in the estimates for similar works prepared by the Secretary's Circular, the tendered rates are very high and that fresh tenders may, therefore, be called for; when the file was submitted to the late Minister for Education and Public Health he was pleased to minute as follows:

> " I find from the comparative statement that the rates quoted by Commercial Engineering & Co for several items, are much lower than those quoted by others. I do not see adequate reasons for calling tenders. The recommendation of the Trust Board is approved"

The question having been ordered to be disposed of by circulation, the above note is circulated to the Ministers

Secretary to Government,

The Chairman, City Improvement Trust Board, Kelore has therefore recommended sanction to accept the lowest tender of /s. ... Commaraswamy Pillai & Co for ... 81,3...6/- He has also stated that as required by rules, M/s. Commaraswamy Pillai has not deposited the 5 years out state lorry Bonds to the extent of ... 4,800/- deposited by him towards earnest money in this behalf, in favour of the Commissioner and that this should be done after this tender is accepted by the Government as resolved by the Trust Board.

The Chief Engineer for Roads and Buildings has

consulted in the matter is of opinion that as seen from the comparative statement of the rates quoted by M/s Coomaraswamy Hill & Co and the rates usually provided in the estimates for similar works prepared by the Military Engineer, the tendered rates are very high and that fresh tenders may, therefore, be called for, when the file was submitted to the late Minister for Education and Public Health he was pleased to minute as follows:

> I find from the comparative statement that the rates quoted by Coomaraswamy Hill & Co for several items, are much lower than those quoted by others. I do not see adequate reasons for calling retenders. The recommendation of the Trust Board is approved"

The question having been ordered to be disposed of by circulation, the above note is circulated to the Ministers.

In G...o... ...o L 3422-28/1 90-41-... dated 1-11-1941 ...ction/... was accorded to the comprehensive under ground drainage scheme in Bangalore city/at an estimated cost of ₹ 41,24,441/- It includes an estimate for ₹ 1,15,000/- for the above work

The work portion of this minor estimate is estimated at ₹ 93,776/- and the remaining portion of the same viz., ₹ 1,224/- is meant to cover the establishment, tools and plant charges, contingencies etc I responses to the tenders called for for the work portion of the estimate, three tenders, as noted in the margin are reported to have been received The great disparity between the tendered rates and the original estimate is explained to be due to the fact that the original estimate was made in 1939-40 when conditions were normal

Sl No	Name of Tenderer	Amount tendered
1	M/s Thomas Iyengar	₹ 1,76,695/-
2	M/s Cossmaressy Killi & Co	₹ 91,226/-
3	M/s Simpson Kerly & Co Ltd	₹ 2,70 6/-

The Chairman, City Improvement Trust Board, Bangalore has therefore recommended action to accept the lowest tender of M/s M Cossmaressy Killi & Co for ₹ 91,226/- He has also stated that as required by rules, M/s Cossmaressy Killi has rendered the Mysore Govt State Loans bonds to the extent of ₹ 4,800/- deposited by him towards earnest money in this behalf, in favour of the Comptroller and that this could be got done after his tender is accepted by the Government as resolved by the Trust Board

The Chief Engineer for Roads and Buildings who was

No 5923

Final note by the Minister for Finance and Industries

DEWAN'S OFFICE
29 JUN 1948
No. 5923

Subject — Tenders in respect of the estimate for extending the out-fall from the septic tank in Malleswaram to the valley beyond Nagadi Road, Bangalore City

The comprehensive underground drainage scheme for Bangalore City sanctioned in Government Order dated 1st November 1941 includes an estimate of Rs 1,15,000/- for this work

In June 1947, the Chairman, City Improvement Trust Board, Bangalore, submitted proposals for the acceptance of the tender of Messrs M Coomaraswamy Pillai for the work portion of the estimate only for Rs 91,386/- as the lowest of the three tenders received as against the estimated cost of Rs 33,776/- during 1939-40

When the Chief Engineer for Roads and Buildings was consulted in the matter, he was of opinion that fresh tenders might be called for as the rates quoted by the contractor in question were exorbitant when compared to the rates usually provided in the estimates for similar works prepared by the Sanitary Engineer

para 8 Note

When the file was submitted to the former Minister for Education and Public Health, he was pleased to minute as follows -

> "I find from the comparative statement that the rates quoted by Coomaraswamy Pillai & Co , for several items are much lower than those quoted by others I do not see adequate reasons for calling re-tenders The recommendation of the Trust Board is approved "

para 12 of Note

The question was to be disposed of by circulation but as it was found that there was difference of opinion in the matter in the course of the circulation, the question was discussed at a meeting of the Council of Ministers held on 17th June 1948 and it was decided that fresh tenders might be called for in this behalf

I solicit the gracious approval of His Highness to the resolution

Office of the Chairman,
City Improvement Trust Board,
Dated, Bangalore, the 26th June 1947

To

Syed Abdul Aleem, Esq, B A,
Secretary to Government,
Revenue Department,
BANGALORE

SUBJECT - Tenders for extending the outfall from the Septic Tank of Lalleswaram to the Valley beyond Magadi Road

Adverting to Government Order No L3422-26/mil 90-41-4 dated 1st Nov 1941 sanctioning a comprehensive system of drainage in Bangalore City in which the above work is also included at an estimated cost of Rs 1,15,000/-, tenders were called for, for the above work in this Office Notification dated 22-5-1947 The marginally noted three Contractors submitted their tenders for the amounts noted against each (for work portion only) This is exclusive of the provision of Rs 81,224/- made in the estimate for establishment, tools & plant, contingencies, etc, as per statement attached but not called for in the tenders

Messrs		
1	A R Doraswamy Iyengar	Rs 1,06,695/-
2	M Coomaraswamy Pillai & Co	Rs 91,386/-
3	Gannon Dunkerly & Co, Ltd,	Rs 95,736/-

It could be seen therefrom that the tender given by Messrs M Coomaraswami Pillai and Co, is the lowest This was placed before the Board at its meeting held on 14-7-1947 and -

P T O

and after some discussion, it was resolved

"That the tender of Messrs P Coomaraswami Pillai & Co , for Rs 91,386/-(for work portion only) be acdepted and sent to Government for sanction "

It may be stated in this connection that in the estimate for Rs 1,15,000/- for the work, a provision of Rs 33,776/- is made for the work portion only As against this sum of - Rs 33,776/-, the lowest tender given by Messrs Coomaraswami Pillai and Co , is Rs 91,386/- The cause for this disparity in the case is due to the fact that the estimate for the work was prepared so long back as 1939-40(while submitting proposals for the - comprehensive scheme) when conditions were normal and the increase now is due to the present abnormal conditions and high prices of materials and labour

I request that in these circumstances, sanction of - Government may kindly be obtained to the lowest tender of Messrs Coomaraswami Pillai & Co , for the work as resolved by the Board

In this connection it may be stated that M/s Coomara- - swamy Pillai & Co , who had tendered towards earnest money deposit, the 3% Mysore Government State Loan Bonds to the extent of Rs 4,800/- had not endorsed it in favour of the Comptroller to Government as required by rules The Board however were of the opinion that while recommending the case of the above named Contractor for acceptance of Government, it might be stated that the recommendation for the acceptance of their tender was in consideration of the long standing experience these contractors had in carrying out works of this nature and that the Bonds which were not endorsed could be got endorsed in favour of the Comptroller after their tender was accepted by Government

The original tenders, comparative statement and ten-

tender notification are enclosed for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,

CHAIRMAN
